## **China Environmental Resources Enters into a Letter Of Intent with the People's Government of Wanzai County, Jiangxi Province**

(10 December 2009, Hong Kong) China Environmental Resources Group Limited (“CER” or the “Group”, Stock code: 1130) today announced that the Group entered into a Letter Of Intent (“LOI”) with the People’s Government of Wanzai County, Jiangxi Province pursuant to which the Group will invest and establish a project regarding the establishment of production and related facilities for the manufacturing, supplying, sales and marketing of organic fertilizers and organic products for the Wanzai County.

Jiangxi Province occupies an important agricultural position in the PRC. In the province, there are 916 types of green food and 415 types of organic food, ranking the first in the PRC.

Wanzai County is located in the northwest of Jiangxi Province and is one of the national pioneers in production of organic agricultural products which are famous and renowned in the world. Its organic certified plantation area amounts to 254,000 mu and most crops are awarded with ECOCERT or BCS international organic certifications.

Ms. Kam Yuen, the Chief Executive Officer and Executive Director of CER said, “We considered that the entering into of the LOI with Wanzai County could strengthen the position of the Group as a market leader in the manufacture and sale of plantation materials and products and “Waste-To-Value” environmental business in the PRC and further enhance its competitiveness.”
